CH 26 JUL SIR, GOVT. OF MYSORE.

Conversion of the Fort in the City as a Public Shelter.

I have the honour to state that the Fort situated in the centre of the City would serve as a very suitable public shelter in view of its strong structure and its capacity to accommodate a large number of people. Its proximity to the City Market where people congregate during all hours of the day is also an advantage in converting it as a public shelter.

At present it has been neglected and there are no watchmen to look after it with the result that the inside of the Fort is in a very dirty condition and is unfit for being used as a shelter. It is very necessary to have it cleaned up and maintained in a tidy condition. For this purpose, I have sanctioned the appointment of two watchmen on Rs.10/- each per month temporarily for a period of three months.

The Fort is now under the control of the Assistant Engineer, Buildings Range, Bangalore. In view of its potentiality as a good public shelter and the necessity to keep it clean and fit for use by the public, I request that orders may obtained to hand it over to the A.R.P. Controller, Bangalore City. The watchmen will be

P.T.O.

be appointed on receipt of orders in this matter.

I have the honour to be,
Sir,
Your most obedient servant,

Inspector-General of Police.
